(End Term Examination)

Maximum Marks: 25

Date: 02/04/2019

Duration: 2.30 hours

Instructions: Question one (5 marks) is compulsory. Attempt any two questions (each for 10 marks) from the remaining questions.

Q. I: Write short note on any one of the following:

- a) The NPA in the Indian economy
- b) Causes and impact of Black money in Indian economy
- c) Impact of inflation on economy
- d) The Insolvency and Bankruptcy Code, 2016 (IBC)
- e) The impact of US – China trade war on Indian economy

Q. II: Discuss the major features of Indian economy. What will be the major challenge in future growth?

Q. III: India's labour force participation rate is very low by world standards and that even this low participation rate fell very sharply after demonetization. High unemployment rate in the economy is also a serious issue. Discuss the causes of unemployment. Give suggestions to create jobs in the economy.

Q.IV: Discuss the challenges of agriculture sector in India. Do you justify the loan waiver policy as a solution to the farmer's problems?

Q.V: a) Discuss the demographic dividend in India. b) Human Development Index is considered a better tool to measure growth of a country. What is India's position in the world's HDI ranking?
